

FREEDOM PRAYER

Jesus Christ,
thank You for doing for me
what I could never do for myself.
Thank You for staying close to me.
Thank You for telling me in Your Word that I have value,
for comparing me to a precious gemstone,
a unique jewel shining in Your crown.
Thank you that I am the pearl of great price to You.
You gave everything for me.
You help me to share difficult experiences,
give me safe places,
give me strength to bring my thoughts and feelings into Your light.
You give me a warrior's heart that will not fail.
Thank you for coming to destroy the plans the Evil One has against me.
You guard me from demonic treachery.
You train me to war in the spirit and to overcome.
You send angels to protect me.
Teach me more about the authority I have in You.
In Your name Jesus
I command every spirit of suicide to be silent and
every dark spirit to leave me.
Thank You Jesus for perfect peace.
I inherit life through You.
You give me supernatural power and an abundant life.
I receive Holy Spirit guidance through You.
You fill me with a holy determination
to take hold of the life You have given to me as a gift.
Holy Spirit, live Your glorious life through me.
I pray in the Name of Jesus.
Amen.
