

PRAYER FOR ACCURATE PERCEPTIONS

We bind and cancel every work of our enemy
who attempts to twist the meaning of words spoken among us
which are meant to encourage and edify.

Every attempt to cause us to misconstrue
the intended meaning of our loving words
and heap condemnation upon us
and diminish our value

we reject in the name of Jesus Christ.

We thank you in advance Lord, by faith,
for giving us accurate perceptions
and for letting us hear through the filter of Your Holy Spirit,
and we thank You that

“there is now no condemnation for us because we are in You.”

(Rom 8:1)
