Steeds of Fire

"How will we melt hearts if we are not God's fire?"

"B4P will no longer ride horses of flesh, but steeds of fire," I heard the Lord say. I saw in my spiritual vision powerful flaming horses emerge from the River of Life. "Impact the world with the fire of My love. Ride the passionate love birthed through our relationship that causes B4P to love others in My name. Love carries you into the fray of the battle for souls, into the chaos of this world."

Horses of flesh indicate stubborn areas that we try to rein in. We have tried to ride our flesh and control ourselves through human means when the prob-

lem is supernatural. Jesus Christ does what we cannot do for ourselves. Christ immerses us in resurrection grace and we emerge forgiven, free, and with deeper love for Jesus. **Christ transforms us and we no longer ride horses of flesh, but charge forward on flames of love.**

Where God is not known, darkness rules through bedlam and despair. "Give us peace!" people cry demanding treaties, disarmament, cease fires. But deceitful hearts scheme to turn negotiations to their own advantage. Hearts without God don't want peace, they

want power and domination.

God calls B4P into chaos to heal nations. God sends B4P not to crack open hardened hearts, but to melt stony hearts. Intense heat liquefies rock, **God's extreme love melts hearts.**

How will we melt hearts if we are not God's fire? With this question in mind B4P discerned our Australian team name to be "Steeds of Fire." We refuse to be ruled by human cravings. Baptized into Christ, we died with Him and rose with Him to serve Him in this

(Continued on page 2)

world. Our call is *Healing to the Nations through Jesus Christ*. B4P preaches the Gospel, teaches the Baptism of the Holy Spirit for the overcoming power of God, and lays our hands on the sick that through the authority of Christ they will be healed. We care for the orphaned through B4P Children's Village. B4P Raphael Surgical Mission Team is in Guyana at this moment performing free surgeries for people in need.

This September and October the Australian Mission Team rode "Steeds of Fire," the warhorses of God's love, into spiritual battle praying in the name of Jesus. While speeding down Burley Griffin Way and crossing through Stockandbingle, I recalled the Book of Job's description of the war horse. The Word says the majesty of the steed's snorting nostrils is terrible. He paws in the valley and exults in his strength. He goes out to meet weapons of war. He mocks fear and runs to devour the ground with fierceness. As often as the trumpet sounds he says, "Ha! Ha!" and he smells the battle from afar.

If God so images the steed, then how do we imagine the courage of the rider? I saw that courage displayed as the B4P

team rushed forward to meet whatever need presented itself. The B4P Australia Team showed great heart and passion for Jesus in their ministry to the people.

The team ministered to people who were in faith crises. Through B4P ministry many rose up empowered, strengthened, and ready again to take their position in Christ. A leader sobbed, "I don't have the faith you have, Annette." I asked, "Who gave you your faith?" She was confused by my query, so I asked another question. "Didn't your faith come from Jesus?" "Well, yes." "Does He give an imperfect gift?" "No, He doesn't." "So, you have been given Christ's perfect gift, but the enemy of your soul has convinced you it isn't good enough. And you've agreed." Tears of relief flowed, then tears of joy. She had come for prayer with severe knee problems, so I asked, "How are your knees now? Try them out." She rocketed from the chair, her face registered astonishment, and we praised Jesus.

God healed fibromyalgia, cancerous tumors, and bowel disease. God delivered captives of suicide, witchcraft, and abuse. People from 8 to 86 years

of age received Holy Spirit baptism. And little Maya, not quite three years old, had a deadly prognosis reversed.

Maya had been diagnosed with an extremely rare antibiotic resistant infection. Her dad, an emergency room nurse said, "The doctor says she only has one year to live."

With blond ringlets, pink cheeks, and sparkling blue eyes, I commented that Maya appeared to be a healthy bundle of energy.

"That's how this disease works. It hides and gains strength."

The site of infection had been lanced, the wound was still bandaged, the doctor said it would never heal. We prayed.

Next day, her dad called. "The doctor said, "It's an eleventh hour turn around." The next week, "The doctor can't explain it." Then, "The neck wound is almost all healed up, we don't think they'll even be a mark left."

B4P Steeds of Fire Team still burns to see Jesus Christ exalted and people freed. All glory to Jesus, Captain of the Heavenly Host.

—Annette

A New Season

We have been building up to this and now we have entered a new season.

On the night of September 15th our regular prayer group meeting was all about healing, boldness, prayer, and reaching out. This led so beautifully into a charismatic youth rally held on the following night. It was run by the youth and held as a parish event with over 70 young people who opened up to the Holy Spirit and took the opportunity for prayer ministry. The very next day, on Saturday, the Engadine Holy Spirit prayer group hosted a day with Bridge for Peace. Ed and Annette from the USA, and Sally and Tim from Australia spent time ministering to our Core Leadership Group bringing about unity, identifying our roles in the group, and prophesying over us. This time was life-giving for us individually and corporately. We shared lunch together and then moved into a time of teaching and practical workshops with about 50 people learning a framework of how to pray with others for God's healing. We split into groups and had a go at praying over each other for healing. One after another, people went up to the front

and testified to the healing that God had done already. It was incredible! **Someone spoke of God healing her jaw joint problems even though she was receiving prayer for her back. Another had stomach issues with a swollen stomach area and it immediately went down to normal size.** Others shared of pain lessening or going completely. People just kept going up to the front to tell how God had done something so amazing for them in just a few minutes.

"We split into groups and had a go at praying over each other for healing. One after another, people went up to the front and testified to the healing that God had done already. It was incredible!"

Later that same day we had a Healing Rally open to anyone that wanted to receive healing. The youth music ministry from the Friday night returned to lead us in anointed praise and worship. We couldn't help but be drawn into Jesus. Some of the newly trained and equipped people who attended the teaching session joined prayer teams

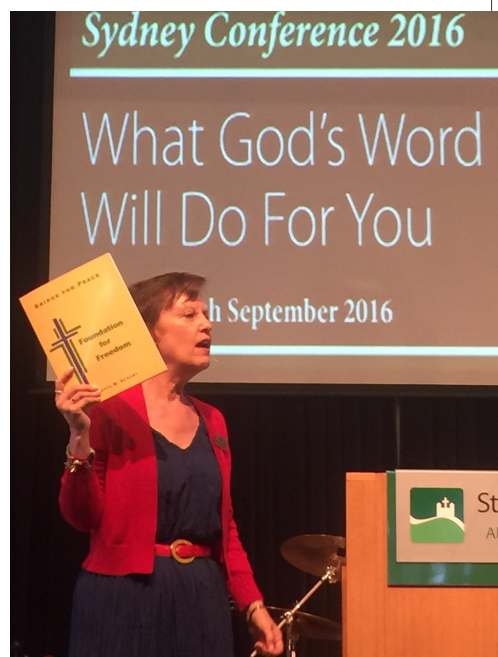

and prayed for anyone who wanted to receive healing. It was a beautiful night of healing of all sorts including physical and emotional.

At our next Thursday night prayer meeting we heard about more healings that had taken place in that last week, and we got into small groups and prayed with each other. There were healings taking place right there, especially to do with pain relief. **God even seemed to target the most skeptical and showed His power to bring healing even when the medical world could not.** People are growing in confidence to pray with others boldly asking God to heal. Thanks be to God for the ministry of Bridge for Peace. May God's grace continue to flow through you to bless many more thousands.

It's so amazing to see God meet people exactly where they are and bless them without having to earn it. God is so generous bringing victory, release, and love. What a good good Father we have.

It's only just the beginning...

—Sarah Dodds

BRIDGE FOR PEACE
DINNER

20th Anniversary of the Rome Prayer Walk
SETAUKET NEIGHBORHOOD HOUSE
THURSDAY, NOVEMBER 3 at 6pm

Hotter in Corrimal

In the praise and worship I prayed for more fire. I felt God say, "It's going to get hotter!"

Annette talked about the *Foundation for Freedom* course, and ended with Matthew 21: 2 "Go into the village and at once you will find a donkey tied. And bring it to Me...say, 'the Lord needs it.'" Verse 6: "Then the disciples went and did as Jesus directed them."

Go into the village (go inside yourself) and see where it is tied—we can be tied to fear, unbelief, hopelessness. God is saying, "I want all of your will." The enemy says, "Why are you doing that? Who do you think you are?" Etc. Just reply, "The Lord has need of me." **Any place where you are bound, in the name of Jesus I loose the shackles, because God has need of you!** When you come to-night, you come freely with your entire will. Without hesitation. You are free tonight in the name of Jesus Christ. God will not heal or deliver anyone against their will. When we are craving it and say, "I want it," we are healed.

Testimonies after healing prayer time:

A man with arthritis in his hands and

shoulders got full movement. His pain went from a 5 to a 0 (On a scale of 1 to 10). God healed his kidneys and blood pressure at a meeting just last week.

A woman told me that her **shoulder, back, and neck pain had been severe** and improved a bit at the healing meeting last week, but over the next three days it got better and better. She hadn't been able to even make her bed. By Wednesday morning **she was totally healed. She now can mow the lawn!**

Rose had a sore throat and a cough irritation that wouldn't go away. Healed.

Another lady **couldn't read the print in Annette's Bible. Then she prayed the covenant prayer and can now read it.**

Another lady was in total pain in her whole body. Had been in pain all her life. Sally started praying for her feet and she started getting healed and set free from things that had her bound. **She was totally set free from all bondages that had tied her and all pain.**

Another had **pain down her shoulders and legs. Also hips. All pain left her. Neck pain left as well. Totally pain free, praise God.**

—Louise Goderie

November

- 3 **B4P 20th Anniversary Rome Prayer Walk Dinner** (Ad on this pg) @ Neighborhood House, Setauket
- 12 Prayer Breakfast 9:45a.m. St Anthony's, Oceanside
- 19 Prayer Breakfast 10a.m. - 2p.m. St. Joseph's, Queens Village

December

- 2-3 Berea, KY
- 4 Oxford, OH, Vineyard Church

January
